CIRCULAR

Department of Computer Application Students,

We are pleased to inform you about an upcoming Add-On Course for the Odd Semester scheduled for the following dates:

For First Semester Students (I. SEM): September 1, 2018

For Third Semester Students (III. SEM): September 2, 2018

For Fifth Semester Students (V. SEM): September 3, 2018

Location: KIMS Block

This course is compulsory for all Add-On Course registered students, and attendance is mandatory. We believe that the material covered in this course will be valuable for your academic and professional growth.

Please make sure to mark these dates on your calendar and be punctual. The detailed schedule and further instructions will be communicated to you in due course.

If you have any questions or concerns regarding this Add-On Course, please reach out to the department office for assistance.

We look forward to your active participation and successful completion of this course.
