

STRATEGIC PLAN

The key priorities of the College are in the following fields.

- ✓ **Enrolling the meritorious students**
 - ✓ **Academic Excellence**
 - ✓ **Research Focus Institute**
 - ✓ **Top 10 in Bangalore**
 - ✓ **Autonomous**
-
- **Enrolling the meritorious students:** As we are much concerned about the quality education, our institution is having many criteria's which are supposed to be fulfilled by the candidate if he/she is willing to take an admission Since the inception of this college the College has witnessed a steep increase in terms of quality of education which in turn caused a tremendous increase in students. Considering this fact the College has started to construct a new building exclusively for the Management studies.
 - **Academic Excellence.** In this era of globalization, a good education is very important for each and every one of us in order to have a better and successful life in the future. Considering this aspect our college is providing all the facilities to excel and compete in the global market. For example Wi-Fi facilities to the students so that they can get an accessibility anywhere in the college premise, thereby the students are empowered to imbibe the required information related to the academics, and also our library is subscribed many national and international journals where the students can get an access into it and well qualified and experienced faculty's to guide the students.
 - **Research Focus Institute.** The extremely complex character of business, its size, fast changes in technology etc, demands this institute to focus its attention on the utilization of research in various fields. It is learnt that, teacher researchers learn new skills through conducting research. Research also helps to provide data, which can describe or monitor important economic and educational concerns. Research can build the teachers' as well as students 'self-confidence and hence make advancement in the teaching-learning development. Professional contacts can be achieved when teachers take part in research activities such as international conferences, publications, seminars, workshops and so on. Therefore, the Institute specially focuses on the Research and likes to be known as a Research Focus Institute.
 - **Top 10 in Bangalore** Koshys Institute of Management Studies is a premier Institute for Management & Commerce Education with remarkable brand value. The Institute since its inception is achieving the set milestones year after year in every sphere of education viz. academics, placement, industry interaction, corporate training and extracurricular activities etc. The students are trained well, to meet the international standards in their fields and to be successful in India and abroad. Six best ranking

agencies like Career 360, Dalal Street, MBA Universe, Competition Success Review, Silicon India and Higher Education Review has ranked the institute as one of the Best B-School in India. However, it is our dream and aim to excel in the education front and to be ranked in the list of Top 10 Colleges in Bangalore.

- **Autonomous.** The institute established in the year 2007. Since then the College have witnessed a tremendous increase in student strength. The College made it a point to appoint faculty who are highly qualified and rich experience in academics. The College which is been seen in this present stature has undergone various trials and been tested for its quality education. The present strength of the student echoes the ibid statement. The management has a deep vision to steer the College to a greater height, for which the Institute has taken initiative to apply for NAAC Accreditation.
