EXTRA CURRICULAR ACTIVITIES

Extracurricular activities are conducted in the Campus for the students to participate in Sports, Cultural events, Club activities are conducted. Students are pressurized during exams and they have performance pressure too of gaining good grades. In such conditions, there is a need for some extra activities. These activities are important just as academics. When a student is made to do academics and co-curricular activities then

only a well-rounded development of the student is done Students have lots of activities to choose from. Cultural activities, sports activities, competitions, house on duties and lot more. Some students are even interested in more than one activities and they do participate in both keeping in mind about their academics.
